**Last Updated:** January 16, 2014

callstats.io service by Nemu Dialogue Systems Oy ("callstats.io") collects email addresses, webpage and service usage inside the callstats.io service. The information collected is used for improving the callstats.io service, and is not shared with or sold to other organizations for commercial purposes, except to provide products or services you have requested, when we have your permission, or under the following circumstances:

- It is necessary to share information in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, violations of Terms of Use, or as otherwise required by law.

## Website Visitors

When you register for callstats.io we may ask for information such as your name, company name, email address. callstats.io uses collected information for the following general purposes: products and services, billing, identification and authentication, services improvement, contact, and research.

## Data Privacy

We understand that the data you send to callstats.io is confidential and treat it as such. We will never share the data you send us with anyone unless required by law. Access will be restricted to certain callstats.io staff in order to provide support and develop the service.

## Aggregated Statistics

callstats.io may collect statistics about the behavior of visitors to its websites. For instance, callstats.io may collect the usage pattern of its users. Additionally, we do reserve the right to publish aggregated studies, scrubbed of any personal identifying information, in order to provide better traffic analytics

## Privacy Policy Changes

We'll let you know about any significant changes by putting a notice on our login page 30 days before they become effective.
